The Kanzas News.

SATURDAYOCTOBER 3, 1857.

Justices of the Pence, A. ROYER, E. YEAKLEY, G. BOGGS. J. HAMMOND, F. BARRETT.

FREE STATE TICKET.

Probate Judge, E. P. BANCROFT. Sheriff, R. W. CLOUD. Treasurer, A. ROYER. Recorder and Clerk, D. SWIM. H. W. FICK, O. PHILLIPS. J. R. SWALLOW. Coroner, THOMAS ARMOR.

Turn Out! We do not know that it is necessary for reiary. us to urge upon our readers the necessity of On motion of Dr. Slocum, the Convenhaving a full turn out on the day of elec- tion proceeded to nominate officers, in open tion. The vote for County Officers is very convention, with the following result : immaterial, but the vote for Delegate to Coniff, R. W. Cloud; Treasurer, A. Royer; gress, and Members of the Territorial Leg- Clerk and Recorder, D. Swim; Commisislature should be large as possible. Turn sioners, O. Phillips, H. W. Fick; Survey

County Conventions. The Convention of citizens of Breckinridge county, held at Americus last Saturday, nominated a full ticket of county officers. . The proceedings will be found in another column.

The "National Democrats" of Madison county issued a call for a county nominating officers. convention, to be held at "Columbia" on Thursday last. The Free State men called Chairman, and James Alfred Secretary. a convention at the same time and place; and, at the hour appointed, organized and the different offices. made their nominations. The pro-slavery men of the county were there, but they made phrey, Wm. Mayberry, E. Hadley, such a "poor show" of numbers that they Pierson, and - Shockley. were abashed, and concluded not to make ony nominations. The proceedings of the committee, and adopted separately.

et will be found elsewhere.

Rev. DANIEL FOSTER and Col. C. F. W. C. Graham. LEONHARDT left this place a few days since for the East, where they expect to spend the coming winter in lecturing on Kanzas affairs. They will both be back early in the their labors.

EMPORIA, October 3, 1857. MR. PLUMB-Sir: I learn that my name was done without my knowledge or consent. At the late Convention I voted for the resoter, and wish it therefore distinctly understood that I can support no other ticket than the one adopted at said Convention.

In justice to myself you will please insert this in your paper. H. W. FICK. Yours, respectfully,

Brooks & Pike, Lawrence, are "some" on boots. We speak from experience, and would recommend those wishing a good "fit" to give them a call.

will appear in our next issue.

lished at New York by Fowler & Wells-82 same sort. Send on your "women folks."

by trade—and has devoted assidiously one-half of his life to the establishment of one fect pressure. This looks encouragingly, and Secretary, ten thousand five hundred of the eldest and best papers in the West. -Mo. Dem.

A. FULKERSON, Pres't. ALLEN P. RICHARDSON, Sec'y.

of that Territory perfectly free to regulate their own institutions. These "institutions" of course referred to nothing but the institutions of slavery, which Mr. Buchapan now tells us the squatters can't the institutions of slavery. now tells us the squatters can't "regulate," if they desire to ever so much, because the chanan said, also, that it was a matter of surprise to him how any person could ever have doubted that slavery existed in Kanzas under the Constitution. Yet it is very evident that Douglas either doubted it as all the whipping of two research to the whip know anything about it, for, if he had, he they dodge the points on which stress is laid: certainly wouldn't have been so foolish as to 'squatter sovereignty" which Mr. Buchanplainer than that Mr. Buchanan's interpret

movement; nor do we believe that Buchanan ever thou, ht of it until the decision of Taney inspired him with the idea that there ing southerners murmured dissent, and denied the squatters any right to interfere in the matter. But so few and weak were they apparently that they excited little or no at-Yet those same fire-eaters have brought Douglas, Buchanan, and the whole

Modern Mechanics.

Few persons are aware of the amount of labor and risk involved in the production of such castings as are now required for our mammoth steamship engines. The furnaces employed in foundries will each hold but two or three tons of melted metal at the utmost, and the metal must in all cases be poured into a mould in a large, continuous express, and that there was no doubt of its stream. For large castings, thick reservoirs correctness. We sympathize with our Donor of fire brick are provided, and filled by slow degrees from the furnaces, the sides being their growth and prosperity. The cause of the cause o poured into a mould in a large, continuous express, and that there was no doubt of its of sufficient thickness to retain the heat.—
The preparation of the mould requires many week's labor. Some time since an invention was chronicled which consisted of an improved method of preparing wrought iron.

Kickness wor'd there?
